WITNESSETH:

Section 1 – General Provisions

A. Definitions

(1) The term "Employer" shall refer to the Associated General Contractors of California, Inc.

(2) The term "Union" shall refer to the Northern California District Council of Laborers.

(3) This Agreement shall apply to any employee who performs work falling within the presently recognized jurisdiction of those Local Unions of the Laborers' International Union of North America affiliated with the Northern California District Council of Laborers; except that this Agreement shall not apply to superintendents, assistant superintendents, general foremen, civil engineers and their helpers, timekeepers, messenger persons, confidential employees and office help.

(4) This Agreement shall apply to Northern California, which term means that portion of the State

of California above the Northerly boundary of Kern County, the Northerly boundary of San Luis Obispo County, and the Westerly boundaries of Inyo and Mono Counties, which includes the following counties: Alameda, Alpine, Amador, Butte, Calaveras, Colusa, Contra Costa, Del Norte, El Dorado, Fresno, Glenn, Humboldt, Kings, Lake, Lassen, Madera, Marin, Mariposa, Mendocino, Merced, Modoc, Monterey, Napa, Nevada, Placer, Plumas, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Shasta, Sierra, Siskiyou, Solano, Sonoma, Stanislaus, Sutter, Tehama, Trinity, Tulare, Tuolumne, Yolo and Yuba.

B. Coverage and Description of Laborers' Work Covered by this Agreement.

(1) This Agreement shall cover all work coming within the recognized jurisdiction of the Laborers' International Union of North America.

(2) Subject to the preceding paragraph and subject also to the provisions of Section 14 of this Agreement, it is agreed that Laborers' work shall include but not be limited to: All Laborers' work necessary to tend the carpenters and other building trades craftsmen, stripping of concrete forms, handling and raising of slip forms, sewer cleaners, gardening, horticulture, landscaping, trackmen (construction, maintenance, repair), all cleanup of debris, grounds and buildings, steam cleaning and all General Laborers' work. In accordance with Green Book Decision dated August 2, 1920 — December 11, 1924, the loading and unloading, carrying and handling of all rods and materials for use in reinforcing concrete construction shall be done by Laborers under the supervision of such person as the Employer may designate. The hoisting of rods shall be done by Laborers, except when a derrick or outrigger operated by other than hand power is used.

All Laborers' work in connection with excavation for building and all other construction, including digging of trenches, piers, foundations and holes; digging, lagging, sheeting, cribbing and bracing of foundations, holes, caissons and cofferdams, manning, setting and moving all manually movable pumps. (This does not restrict the Laborers from performing other work.)

All Laborers' work in connection with concrete work, including chipping and grinding, sandblasting, mixing, handling, shoveling, conveying, pouring, concrete

pumps and similar type machines, grout pumps, nozzlemen (including gunmen and potmen), vibrating, guniting and otherwise applying concrete, whether done by hand or any other process, and wrecking, stripping, dismantling and handling concrete forms and false work, including tending of plasterers and brick and block layers.

All Laborers' work in the excavation, grading, preparation concreting, asphalt and mastic paving, paving, ramming, curbing, flagging and laying of other stone materials, and surfacing of streets, ways, courts, underpasses, overpasses and bridges.

All work in connection with the operation of spreader boxes, such as True-Lay, Rola Pavers and Laytons or similar type models, including but not limited to all shoveling and shifting material and cleaning of boxes, shall be the work of the Laborers. All Laborers' work in connection with the cutting of streets and ways for all purposes, including aligning by any method, digging of trenches, manholes, etc., handling and conveying of all materials for same; concreting of same; and the backfilling, grading and resurfacing of same. All Laborers' work in connection with the construction of caissons, cofferdams, subways (except as covered by Master Tunnel Agreement), aqueducts, water lines, culverts, flood controls, airports, drains and sewers, and any type of conduit, no joint pipe, including the cribbing, lagging, bracing, sheeting, checking grade for pipelaying, trench jacking and handling of lagging hammers on all open trenches and ditches. All Laborers' work in connection with shoring, underpinning including cutting, fitting, placing and raising of all structures.

All Laborers' work in connection with drilling, all work of loading, placing and blasting of all powder and explosives of whatever type regardless of the method used for such loading and placing.

All signaling and rigging in connection with Laborers' work.

All Laborers' work in connection with the wrecking of buildings and other structures.

All Laborers' work in connection with the slinging, handling and placing of all rip-rap, rock and stone on highways, jetties, retaining walls or wherever used.

All wrecking work on construction and/or razing sites: all Laborers' work on pre-casting or prefabrication at the construction project site or at a precast or prefabrication yard specifically established and operated for that one particular construction job.

All work in connection with the operation of such equipment that is necessary and incidental to carry out the work of the Laborer.

(3) All classifications listed Supplement No. 1 of this Agreement which are not listed under this Section shall be included in the coverage and description of Laborers' work just as though incorporated in full in this Section.

(4) Should an Individual Employer signatory to this Agreement subcontract the masonry or plastering portion of a project, said contract shall specify that the work to be performed shall be done under the terms and conditions of the current Masonry and/or Plaster Tender Agreement that has been negotiated by the Northern California District Council of Laborers or its affiliates, which is in effect in the territory in which the work is performed. However, Masonry work which is incidental to the work of the Individual Employer may be performed under the terms and conditions of this Agreement.

(5) Any Employer not signatory to both the Tunnel and Laborers' Master Agreement shall agree that whenever work is performed which is covered by the terms of the Laborers' Master Tunnel Agreement for the 46 Northern California Counties, the provisions of that Agreement shall be fully applicable to and binding upon the Individual Employer.

Section 2 – Bargaining Representatives

A. Union's Recognition of Collective Bargaining Representative of Employer.

The Union hereby recognizes and acknowledges that the Collective Bargaining Representative of Employer includes in its membership a majority of the Individual Employers in the highway, general building and heavy construction industry, and said Individual Employers are performing the greater percentage of work therein. By reason of such facts the Union hereby recognizes that the Collective Bargaining Representative of the Employer, as hereinabove referred to, is the collective bargaining representative for all Individual Employers who authorize the Employer to represent them with respect to Collective Bargaining with the Northern California District Council of Laborers. A list of said Individual Employers shall be furnished to the Union at the commencement of negotiations and the Employer shall furnish the Union with a complete monthly report of

**LETTER OF CLASSIFICATION
1999-2002 LABORERS' MASTER AGREEMENT**

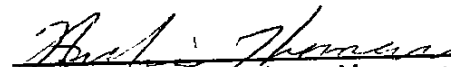

The parties to this agreement agree that the Group 4 classification in this agreement is intended to be utilized only in all final cleanup work of debris, grounds and building including but not limited to street cleaners. Laborers that are utilized in the Group 4 classification will continue to have the opportunity to accept or reject the employment offered according to Section 19 of the Laborers' Master Agreement. The Group 4 classification is a cleanup classification and shall not be utilized to undermine, modify or change any of the current and traditional classifications currently utilized under the scope of this agreement. This clarification does not change or modify the current interpretation of this classification. It is agreed that the Group 4 classification is not applicable to engineering or heavy highway projects.
